# ***Your Eyeglass Prescription...***

At **OC Eye Associates** you will receive excellent complete eyecare and will benefit from the latest technologies to improve and enhance your vision. Our doctors specialize in the care of not only the health of your eyes, but also in the treatment of your vision. In addition to performing surgery for cataract and LASIK, our doctors can prescribe and fit eyeglasses and contact lenses. It is our goal to provide exceptional service to you, and in order to ensure we meet or exceed your expectations, we would like to offer assistance in regards to your vision needs. As you may already know, vision coverage is usually separate from your medical coverage. Many patients have separate vision insurance. As our office is contracted with several different vision plans, we would be happy to verify whether you have benefits available toward vision examinations for eyeglasses or contact lenses. These types of vision examinations (also called refractions) are helpful in evaluating the overall health of your eyes and are typically recommended annually if you wear glasses or contacts. Our office charges a \$75.00 fee should you choose to have this service done as part of your comprehensive eye examination. If you believe you have separate vision insurance that covers this service, please provide the name of your plan along with the primary subscriber's name and identification number so we can assist you in obtaining authorization and coverage information. We look forward to seeing you for your next eye examination!

Thank You!

## PATIENT FINANCIAL RESPONSIBILITY AGREEMENT

Welcome to OC Eye Associates! We appreciate that you've chosen our office to serve your eye care needs! In our commitment to provide you with exceptional eyecare, we would like to make clear our financial policies as they relate to your care.

♦ **Insurance:** We are participating providers for most health plans including Medicare, Medicare Advantage plans, PPO, and HMO. We will gladly file claims for all covered services on your behalf. In order to do so, we will ask to make a copy of your insurance card and a photo ID. It is your responsibility to provide us with current and accurate insurance information prior to each visit in our office.

Please be aware that health insurance is a contract between you and your insurance company, and you ultimately hold final financial responsibility for any and all services rendered in our office. It is your responsibility to know the policies and provisions of your own plan including (but not limited to) authorization or precertification requirements, in-network and out-of-network benefits, coinsurance, copayment, and deductible requirements. Providing a copy of your insurance card neither confirms that your coverage is effective nor that the services rendered will be covered by your insurance company. Your health plan may have out-of-network benefits with higher coinsurance, copayments, or deductible amounts as well as limited benefits. Services rendered on an out-of-network basis may result in a higher out of pocket cost.

♦ **Assignment of Insurance Benefits:** My signature below indicates my authorization to OC Eye Associates, Inc. to furnish information to insurance carriers on my behalf concerning my illness, and I hereby irrevocably assign to the doctor(s) all payments for medical services rendered.

♦ **Payment:** Payment of your bill is an integral part of your care in our office. We expect payment of copayments, applicable coinsurance or deductibles, non-covered services, and self-pay visits to be paid at the time of service. Likewise, outstanding balances from previous visits will be collected upon check-in at any future visits. For your convenience, we accept cash, check, credit cards (\*including Visa, Mastercard, & Discover,) and Care Credit on select services.

♦ **Missed Appointment Fees:** A \$35 cancellation fee will be issued for no-shows and cancellations less than 24 hours in advance.

♦ **Returned Checks:** A service charge of \$30 will be issued for returned checks. A service charge of \$35.00 will be issued for reprinted refund checks.

♦ **Unpaid Balances:** On balances not paid within 90 days, you will be responsible for interest and penalties incurred at 7% and may be forwarded to an outside collection agency resulting in additional fees and penalties.

I have carefully read the above financial policies, and my signature below serves as my acknowledgement of a clear understanding of my financial obligation. I also understand that I assume full financial responsibility for any services rendered to me which are denied by my health insurance and agree to make payment on outstanding balances within 30 days.
